

IPYG PEACE LETTER PROJECT

For Advocating the Heads of States to Support Declaration of Peace and Cessation of War

CONCEPT NOTE

A. OVERVIEW

Peace Letter is a project for the youth, to advocate toward policy decision-makers in an attempt to get support for world peace and cessation of war from the Head of States. The youth, who has been the sacrifice of the wars, is now acting as a key to making a law which can protect us. So it will be our method on behalf of youth, to deliver our voice to policy decision makers who can make a substantive impact.

B. OBJECTIVES

- To appeal to policymakers that youths in each country need the law for peace
- To collect the official letter of support from policymakers
